Subject: FW: HIGH PRIORITY - Southern Ute WQS for the Animas River

I had forgotten. The Southern Ute are involved. They have WQS so, we'll get those and assessment against them, too.

**Subject:** HIGH PRIORITY - Southern Ute WQS for the Animas River

George and Tina,

For our water quality assessment of the Animas River, we'd like to get the Southern Ute WQS for the river. Let us know if more than one segment is involved.

Do we know if Southern Ute staff are currently sampling the Animas (since the spill)?
